About CFHK

Cards for Hospitalized Kids (CFHK) is a charitable organization that spreads hope, joy & magic to hospitalized kids across America through uplifting, handmade cards. CFHK distributes "general" cards monthly, as well as holiday cards for major holidays, to Children's Hospitals and Ronald McDonald Houses in all 50 states.

Using CFHK's guidelines, individuals and groups donate their time & creativity to make handmade cards to send to CFHK for distribution. Anyone can get involved, regardless of location.

Over 500,000 kids in hospitals in all 50 states have received cards from CFHK since our inception. We believe this is just the beginning. We hope you will get involved and help us in spreading strength & smiles to as many hospitalized kids as possible.
