How to Host a Fundraiser for CFHK

When you start a nonprofit fundraiser on Facebook, they cover all processing fees for donations. This is a great option for birthdays or any time of year. People have also done a fundraiser after making cards along with sharing photos of the card-making on Instagram. Fundraisers of all sizes are welcome! Here's how to start a fundraiser:

- Go to:

www.facebook.com/fund/CardsForHospitalizedKids/

- Under "Details" enter:

- How much you want to raise
- The currency you want to donations to be in (US Dollars)
- The date you want the fundraiser to end
- The title for your fundraiser. Examples include:
 - *"Rosana's birthday fundraiser for Cards for Hospitalized Kids"*
 - *"Kara's fundraiser for CFHK after making cards"*
- The description of your fundraiser and why you're raising money.
 - *This can include why your passionate about CFHK or support the cause, your own inspiration, your involvement, etc..*
 - *The description is entirely up to you!*
- Under "Pick a cover photo," please upload a photo. We suggest using a photo from the CFHK Facebook page.
 - *If you need help with a custom cover photo graphic, please email Nina@CardsForHospitalizedKids.com.*
- Lastly, click "create" to launch your fundraiser.

- After creating your fundraiser, we suggest sharing it your fundraiser via a post to show up on your newsfeed and/or Instagram Story. You can download graphics for this on the CFHK website.
