Host a Facebook Fundraiser for CFHK

How to create a Facebook Fundraiser

Hosting a fundraiser on Facebook is a great option to be impactful on Giving Tuesday. Fundraisers of all sizes are welcome! Here's how to start a fundraiser:

- Go to <https://www.facebook.com/fund/CardsForHospitalizedKids/>
- Under "Details" enter:
 - How much you want to raise
 - The currency you want to donations to be in (US Dollars)
 - The date you want the fundraiser to end
 - The title for your fundraiser. We suggest including "Giving Tuesday" in the title, such as:
 - ***"Rosana's #GivingTuesday" fundraiser for Cards for Hospitalized Kids***
 - The description of your fundraiser and why you're raising money.
 - ***This can include why your passionate about CFHK or support the cause, your own inspiration, your involvement, etc..***
 - ***The description is entirely up to you!***
 - Under "Pick a cover photo," please upload a photo.
 - ***We suggest using a photo from the download-able files section of the [Giving Tuesday page on the CFHK website](#). There is a cover photo for fundraisers that can be downloaded.***
- Lastly, click "create" to launch your fundraiser.
- After creating your fundraiser, we suggest sharing it your fundraiser via a post to show up on your newsfeed and/or Instagram Story. We suggest using the hashtag #GivingTuesday in the post. You can also download graphics to share this on the CFHK website.
